"Hello everyone!" Says Naru, as she is being filmed. "This is Naru Osaka and Umino, back with 'Magical Girls Attack Special'!"

"Naru, you... Huh? You haven't forgotten me this time."

"No, Umino, not this time. So, for some time now, other mysterious girls with powers similar to Sailor Moon and her friends have been appearing in Tokyo. For 'Magical Girls Attack Special', we will see and compare their abilities! In this fourth show, we have Cure Mint and the great Sailor Moon as guests! Let's meet them."

Like the last time, Naru signals to Umino to follow her. They go to join the two magical girls. Naru restrains herself from doing her fangirl in front of Sailor Moon. After the two magical girls introduce themselves in front of the camera, Naru asks them to show them an attack that they have in common.

"Do we have an attack in common?" Cure Mint asks.

"I don't know." Says Sailor Moon.

"I only have one defensive type attack and one offensive where I throw a huge disc of green light at an enemy."

"A green disc? Oh, I know. I can use Moon Tiara Action."

"Cool." Says Naru. "Let's see them."

Sailor Moon and Cure Mint move into position.

"So, who attacks first?" Cure Mint asks.

"We attack at the same time!" Replies Sailor Moon.

"Pretty Cure Emerald Saucer!"

"Moon Tiara Action!"

Although Sailor Moon's light disc is tiny compared to Cure Mint's green light disc, it manages to get as far as the big one before disappearing.

"That was WAY TOO cool! Sailor Moon is the b— Uh! Dear audience, what is your favorite attack? It was Naru Osaka, Umino, Sailor Moon and Cure Mint for 'Magical Girls Attack Special'! See you next time!"

Umino stops filming and Naru, all smiling, thanks the two magical girls.
